Product Summary

The Campbell Hausfeld™ Shop Air Series compressor is ideal for general compressed air needs, including machine shops, dry cleaners, automotive repair facilities, woodworking shops, or general industrial applications. Features cast iron, 2-stage pump for long life, ASME-certified tank (200 max. PSI) and industrial-duty NEMA motor for reliable service. Mounted and wired motor starter offers fast electrical hookup. Fully enclosed metal belt guard assures safe operation, U.S.A.

What's Included

(1) Air compressor

Key Specs
