Panasonic DP 6530 Copier

Buy **\$11,500**

Anticipating the next generation of office environment needs, the Panasonic 6530 copier transcends multifunctionality and delivers connectivity. Featuring incredible network capabilities and ease of operation, the Panasonic DP-6530 copier is the high-performance, high-volume solution for total document processing and management needs. With the enhanced Panasonic DP-6530 copier gives you even more reasons to choose Panasonic Copiers.

The Panasonic 6530 copier comes standard with a 240K drum unit! Now that's productivity and money savings in one! The Panasonic 6530 also has standard duplex copying. Ready to connect to your LAN right out of the box? The Panasonic DP-6530 copier immediately brings the efficiency and productivity of digital imaging to every desktop. Want more? How about a 70 page fully automatic document feeder for the Panasonic 6530 copier? How about production? The Panasonic 6530 copier has standard 2,500 sheet letter capacity! The rugged design and the host of service-friendly features set new standards for Panasonic copiers reliability. Every aspect of the Panasonic DP-6530 copier's design, from key components with extended life, to its energy-conscious design contributes to lower total cost of ownership as well as an economical work environment. In addition, the Panasonic 6530 copier has a standard 10 GB hard drive and with features like the seamless document routing system, file format flexibility and expanded IPX/SPX compatibility, the Panasonic 6530 Copier is the ultimate digital hub for your workplace.

Panasonic 6530 copier is a complete solution designed and engineered for the purpose of performing as the "office power tool". Digital Hub Keystone of Your Document Infrastructure.
